The MOB ringers will perform together with *prominent Singaporean arts practitioner/SPED educator, R CHANDRAN (from NDP'2016) & internationally-acclaimed handbell conductor EMILY LI (from Hong Kong)*. This concert combines together a very talented group of young musicians & professional artistes, bringing the audience through the world of familiar classical & orchestral music, fronted by **Traditional English Handbells**, combined with story-telling (*linking the different song titles & periods of music*), *ballet*, plus audience participation, multimedia & sensory experiences (*lights-sounds-touch-hear-sight-movement*). This multi-disciplinary & sensory-experience, helmed by the handbells, will be a refreshing experience for our local audience.

## **3. WHAT IS AN INCLUSIVE SENSORY/AUTISM-FRIENDLY CONCERT @ 3PM?**
